WELCOME

We are pleased to welcome you to the 18th Annual Conference on General Equilibrium and its Applications at Yale.

We thank the speakers for sharing their research with us, and we hope that the presentations, discussions, and interactions will play a valuable role in pursuing your research and will give rise to new research endeavors.

We would also like to thank Darlene Smith, and the other Cowles Foundation staff members, for their excellent work in organizing the conference.

You can find the complete schedule and a PDF version of this program online at <https://cowles.yale.edu/ge2024>, or by scanning the QR code found on the last page of this program with your phone camera.
